

Idaho Potato Supreme

8 medium potatoes (cook with skins on with 2 bay leaves until partially done; peel, cool and grate coarsely)

Mix together:

¼ cup butter

1 can cream of chicken soup

1 ½ cups Hudson Valley Fresh sour cream

½ tsp salt

3 green onions

¼ tsp pepper

1 ½ cups Cabot sharp cheddar cheese, grated

Mix the list of ingredients together then add to potatoes. Stir carefully not to break the potatoes apart too much. Bake uncovered at 350° for ½ hour. Sprinkle top with ½ cup grated cheese and ½ cup crushed corn flakes. Bake 15 minutes longer.
